

USA Shooting Para Ranking Matches - Defined

Updated 5/3/23

Ranking Matches

Ranking matches are major, significant national or international level competitions that include elite level scores. Due to limited Para specific matches, as of January 2023, we are also including some local designated matches to provide more opportunities. Of these designated matches (in italics) only the two highest scores will count toward the ranking average. USA Shooting will post a list of designated Ranking Matches. The ranking matches that we currently have as approved are as follows:

PLEASE NOTE: Due to unforeseen circumstances matches can be added or removed due to cancellation at any time. Our intent is to only add matches; however, if a match should be cancelled it will be removed from this list. Due to this, it is in the best interest of all athletes to attend the listed matches regularly to ensure you have scores on file. Do not assume that you will be able to get scores later.

Other Domestic and International Ranking Matches

Match Organizers may petition to have a domestic competition designated as a Ranking Match. Athletes may petition to have an international competition designated as a Ranking Match. These approvals must be done at least one month prior to the competition in question taking place. Criteria considered will be:

- The match should be a major competition of the year. Matches that are part of a weekly or monthly series would not qualify.
- The match should expect to draw competitors from across the country and should include at least one high-level competitor capable of shooting National Team scores
- The course of fire must be the current ISSF course of fire.
- Range facilities should be world-class and must use electronic targets.
- Significant merchandise and/or cash awards are preferred.
- Submitting results from previous years that demonstrate the level of the competition is preferred.

Petitions to have a competition designated as a Ranking Match can be submitted to USA Shooting and will be reviewed/approved by the National Coach and High-Performance staff. When submitting the petition please include the following in your request:

- Club Name:
- Location:
- Dates:
- Expected competitor count:
- Class of competitors:
- Previous results from competition:
- Awards:
- Any other pertinent information we should know

We ask this petition to be emailed at least 6 weeks in advance of the competition to: Alex Szablewski

Director of High Performance, USA Shooting
